ACCORDING TO STANDARD, MARKING OF EQUIPMENTS IS MADE WITH 4 BLOCKS OF CHARACTERS

A = Alphabétique  
N = Numérique  
C = Alphanumérique  
\* = facultatif

Ex : D01 +AB01 -KA1 :13

repère du N° de borne  
repère du matériel (racine et n° d'ordre)  
repère de l'emplacement physique (zone ; localisation)  
repère essentiel (ensemble ou fonction)

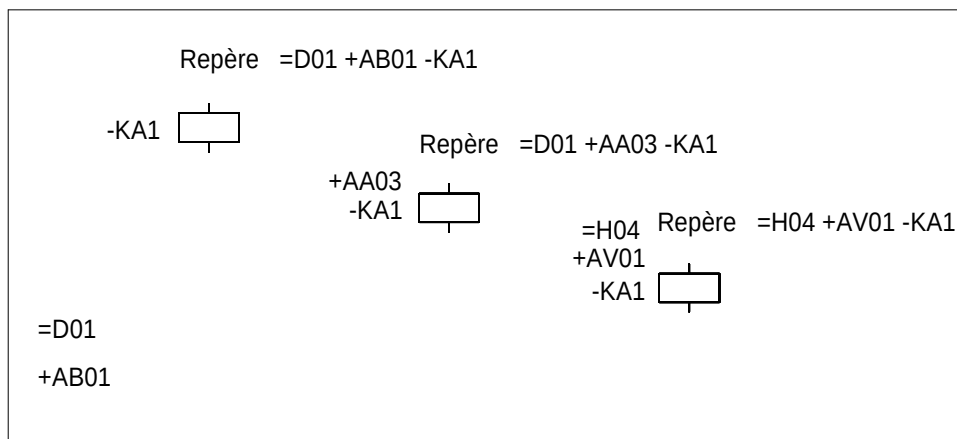

Repère principal caractérisant chaque subdivision importante d'une installation ou ensemble (fonctionnel). Il est facultatif.  
Le 1<sup>er</sup> caractère est choisi dans la "TABLE 1".  
Cette table donne les lettres repères des niveaux de tension et des fonctions non spécifiques à une travée ou un niveau de tension.

Repère de l'adresse physique du matériel.

Repère de l'équipement qui contient le matériel (choix des deux premiers caractères dans la "TABLE 2").

Repère complet du nom de l'appareil. La première lettre indique la fonction générale de l'appareil. Choix "TABLE 3".

Repère composé indifféremment de lettres ou de chiffres.

Ex : D01 + AB01 - KA1 : 13

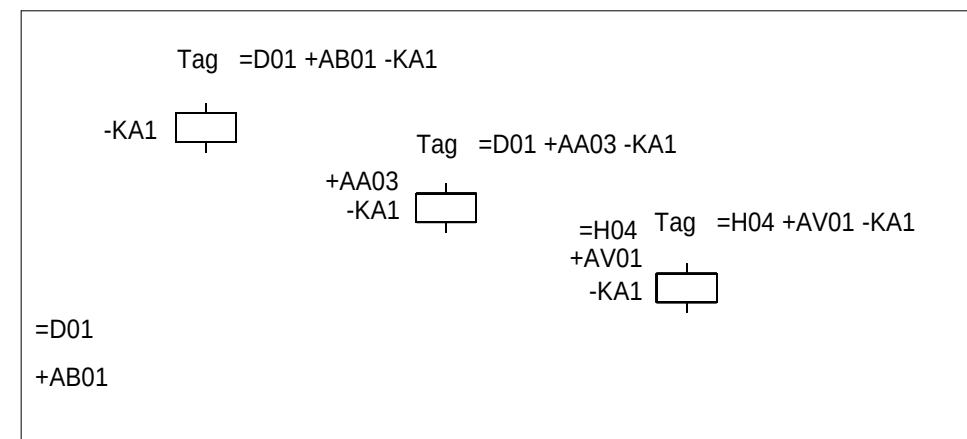

terminal designation  
identification of item (root & sequence N)  
location of item (zone ; location)  
higher-level designation (set or function)

Item designation for any major part of plant or function. Optional.  
First character is given by "TABLE 1".  
This table gives codes for voltage levels and for no attached functions to a particular bay or voltage level.

Indicates equipment which contains the item (choice of the 2 first characters "TABLE 2").

Complete designation of item identification. 1st character indicates general function of item. Choice "TABLE 3"

Designation composed of letters or numbers.

## B

BCDD

Bay number is given by two figures  
from 01 to 99.  
Figures "00" are used for common  
equipment to a voltage level and several bays

eg ; =E00, higher level of designation 132kV busbar  
+E00, AB01, 132kV common relaying cubicle N°1 (bus bar protection)

EXAMPLES : +E04 Indicates that the localisation is fully attached to bay 110kV N°04  
=C05 Indicates bay 400kV N°05  
=R01 Indicates the function "FIRE PROTECTION" N° 01
